

## **John L. Burba Ph.D.**

*Executive Vice President and Chief Technology Officer*

Dr. Burba is Executive Vice President and Chief Technology Officer of Molycorp. He received his Ph.D. in Physical Chemistry from Baylor University in 1979 and has held numerous technology related positions with Dow Chemical Co., FMC, and Molycorp, where he managed development teams that designed new operating plants and redesigned existing operating facilities. During his career, Dr. Burba has been directly involved in all phases of development and scale-up, from invention, laboratory development, product design, process design, scale up, and commercialization. Many of Dr. Burba's 40+ U.S. patents are in commercial use today.
