| Closed Negotiation in Progress| Master Planning Services  | Issued 8/22/2022 DUE 9/12/2022 | Name: **2024 - 2034 Campus Master Plan** Institution: Lamar University  
Preparation of a comprehensive Campus Master Plan (CMP) for the Lamar University campus in Beaumont, Texas. The master plan will capture a ten year vision for the Lamar University campus and align with the University’s strategic plan. The CMP must be presented for final approval by The Texas State University System Board of Regents no later than the November 2024 regular meeting. In addition to the ten year CMP, the Master Planner may be asked to prepare an update to the approved CMP at any time during the ten year term of the CMP. Such an update could include an evaluation and confirmation that the overall CMP remains sound and relevant. |
| Closed Negotiation in Progress| A/E Services RFQ          | Issued 9/26/2022 DUE 10/21/2022 | Name: Esperanza Hall Institution: Texas State University (Round Rock)  
GSF: 81,650  
Estimated CCL: $36,600,000  
This will be the fourth academic building on the Round Rock Campus and includes classrooms, labs, and offices to support four departments in the College of Health Professions, the Advising Center, and the Dean’s Office. |
| Active                        | A/E Services RFQ          | Issued 10/27/2022 DUE 11/22/2022 | Name: Allied Health and Sciences Building Institution: Lamar State College - Port Arthur  
GSF: 74,400  
Estimated CCL: $38,300,000  
The new Allied Health and Science Building will be located adjacent to the existing Allied Health Building on Proctor Street. The building will provide additional classroom and state-of-the-art laboratory space. Local demand for nursing classes continues to rise and the college is operating at full capacity. The new building will house future allied health programs and the college’s current programs which include: Registered Nursing (RN), Licensed Vocational Nursing (LVN), Certified Nurse Aid (CNA), Surgery Technology and a Business Services Suite for campus-wide Services. |
| Pending                       | CMR Services RFQ          | Late November 2022 | Name: Esperanza Hall Institution: Texas State University (Round Rock)  
GSF: 81,650  
Estimated CCL: $36,600,000  
This will be the fourth academic building on the Round Rock Campus and includes classrooms, labs, and offices to support four departments in the College of Health Professions, the Advising Center, and the Dean’s Office. |

| Pending                       | A/E Services RFQ          | Early January 2023 | Name: STEM Building Institution: Texas State University  
GSF: 154,000  
Estimated CCL: $96,100,000  
The College of Science and Engineering is the largest college at Texas State University, in terms of enrollment, and needs additional space to continue to grow. The proposed 154,000 gross square foot Science, Technology, Engineering, and Math (STEM) building will be located on the San Marcos Campus. It is currently proposed to house the departments of Mathematics and Computer Science and will provide teaching space for several other academic disciplines. |

| Closed Awarded | A/E Services RFQ  | 2/25/2022 DUE 3/24/2022 | Name: *Bobcat Stadium End Zone Complex*  
Institution: Texas State University  
GSF: 7,600  
Estimated CCL: $24,000,000  
Construction of a new weight room and nutrition center which includes a new alumni pavilion and deck on the roof of the building. Interior renovations which include expansion to the existing locker room, new breakout team rooms, new player lounge, and new third level donor suite. Installation of a new elevator, and connections to the east and west concourse levels. New and expanded training facilities. |
| Closed Awarded | CMR Services RFQ  | 3/18/2022 DUE 4/14/2022 | Name: *Examination Center*  
Institution: Lamar State College - Port Arthur  
GSF: N/A  
Estimated CCL: $4,000,000  
The Commercial Driver Education and Examination Center will support the timely flow of commercial drivers from training to licensing. The project includes a new 5,600 square foot classroom building and a 900 square foot office building, on approximately 24 acres of land. Site development includes approximately 6.5 acres of rolled concrete paving for real-world truck driving skills training, six lanes for truck parking and four lanes for testing. Site improvements include the creation of on site storm water detention and storm water management systems. |
| Closed Awarded | Design/Build RFQ  | 3/8/2022 RFP DUE 5/16/2022 | Name: *College of Medicine Parking Structure*  
Institution: Sam Houston State University  
(Greenspoint)  
GSF: N/A  
Estimated CCL: $22,000,000  
Construction of this parking structure is necessary to create space for the Allied Health Sciences Building within an existing surface parking lot at the University's Greenspoint campus. It is anticipated that this new parking structure will provide approximately 1,000 parking spaces. The project will be initiated in FY 2022 following a brief planning effort. |
| Closed Awarded | CMR Services RFQ  | 4/18/2022 DUE 5/19/2022 | Name: *Academic Building*  
Institution: Lamar State College - Orange  
GSF: 51,340  
Estimated CCL: $27,000,000  
The new Academic Building will relocate general instructional classrooms and science labs, faculty and instructional classrooms and science labs, faculty and administrative offices, and IT support services currently housed in the existing Academic Center. In addition, the building will include a building foyer, a student commons, a leadership suite, a faculty resource center, a campus demarcation room, and a media / video production suite. The building will also include an allocation of space for distributed gathering and building support spaces. The new building is envisioned as a two-story facility with the science labs and academic administration on the second floor, and the classrooms and media / video production suite on the first floor, creating an active first floor and quieter second floor. The first floor commons will be the hub for the building with the large classroom easily accessible. |
| Closed Awarded | A/E Services RFQ  | Issued 6/20/2022 DUE 7/19/2022 | Name: *Workforce Allied Health Training Ctr.*  
Institution: Lamar Institute of Technology  
GSF: 51,300  
Estimated CCL: $27,813,000  
Pursuant to the updated Master Plan, LIT plans to build a Workforce Allied Health Training Center for both credit and non-credit students. This will be a two-story building with an embedded high-bay instructional space. The first floor will hold the workforce instructional spaces, simulation environments, and task training room. The second floor will house allied health, and contain skills labs, pharmacy technician labs and a main testing room. |
| Closed Awarded | A/E Services RFQ  | Issued 6/20/2022 DUE 7/21/2022 | Name: Academic Building  
Institution: Lamar State College - Orange  
GSF: 51,340
