REQUEST FOR QUALIFICATIONS FOR
CAMPUS MASTER PLANNING SERVICES
TEXAS STATE UNIVERSITY
SAN MARCOS, TEXAS
CAMPUS MASTER PLAN
RFQ NO.: 758-23-09102

SECTION 1 – GENERAL INFORMATION & REQUIREMENTS

1.1 GENERAL INFORMATION: The Texas State University System (“Owner”) and Texas State University (“University”) are soliciting Statements of Qualifications (“Qualifications”) for selection of a master planning firm (“Master Planner”) to provide Master Planning Services for the Texas State University in San Marcos and Round Rock, Texas (the “Project”), in accordance with the terms, conditions, and requirements set forth in this Request for Qualifications (“RFQ”).

The Owner is interested in selecting a firm that has direct experience in the master planning of facilities for institutions of higher education. Prospective Master Planner firms are hereinafter referred to as “Respondents”.

1.1.1 Collecting Qualifications in response to this RFQ is the first step in selecting a Master Planner. This RFQ provides the information necessary for Respondents to prepare and submit Qualifications for consideration by the Owner. In the next step the Owner will determine an initial ranking of the Respondents. If the initial ranking of the Respondents is reasonably conclusive, the Owner may make a “most qualified” selection based upon the written Qualifications only. If not, then the Owner may conduct interviews with a “short list” of Respondents.

1.1.2 The Owner may select up to three (3) of the top ranked qualified Respondents to participate in an interview with the Owner to confirm and clarify the Qualifications submitted and to answer additional questions. The Owner will then rank the interviewed Respondents in order to determine a single most qualified Respondent.

1.1.3 After selecting the most qualified Respondent the Owner will negotiate the detailed professional services to be provided by the Respondent and a suitable fee for those services. The Owner will request a fee proposal from the most qualified Respondent, with supporting information demonstrating that the requested fee is justified by the level of effort (and related personnel costs) required to provide the services necessary for the Project. Potential Respondents should be aware that, except in unusual cases, the Owner does not consider billable time incurred while traveling to and from the Project site, Owner’s offices, or Board of Regents meetings, as necessary to the completion of the Project. Potential Respondents whose offices are located where such time-consuming travel will be regularly required in the performance of services for the Project, should consider this policy when deciding whether or not to submit their Qualifications.

1.2 PUBLIC INFORMATION: All information, documentation, and other materials submitted in response to this solicitation are considered non-confidential and/or non-proprietary and are subject to public disclosure under the Texas Public Information Act (Texas Government Code, Chapter 552.001, et seq.) after the solicitation is completed. The Owner complies with all statutes, court
decisions, and opinions of the Texas Attorney General with respect to disclosure of RFQ information. Additionally, pursuant to the provisions of Texas Government Code Section 2261.253, the contract resulting from this solicitation may be posted on the Owner’s website.

1.3 **TYPE OF CONTRACT:** Any contract resulting from this solicitation will be in a form similar to the Owner’s Standard Architect/Engineer Agreements, a copy of which is posted on the Owner’s website at: http://www.tsus.edu/offices/finance/capital-projects.html

The Agreement should be viewed as a draft and is subject to change.

1.4 **CLARIFICATIONS AND INTERPRETATIONS:** Discrepancies, omissions or doubts as to the meaning of RFQ documents shall be communicated in writing to the Owner for interpretation. Any responses to inquiries, clarifications, or interpretations of this RFQ that materially affect or change its requirements will be posted by the Owner as written addenda. All such addenda issued by the Owner before the proposals are due, become part of the RFQ. Respondents shall acknowledge receipt of and incorporate each addendum in its Qualifications. Respondents shall be required to consider only those clarifications and interpretations that the Owner issues by addenda. Interpretations or clarifications in any other form, including oral statements, will not be binding on the Owner and should not be relied on in preparing Qualifications. It is the responsibility of all Respondents to check the status of formal addenda five (5) calendar days prior to the submittal deadline. The deadline for the receipt of written questions and submittal deadline is stated in Section 2.4.

1.4.1 **ADDENDA AND AWARD INFORMATION, WILL BE ISSUED BY THE OWNER FOR THIS RFQ VIA THE ELECTRONIC BUSINESS DAILY WEBSITE AT THE FOLLOWING LINK:** http://www.txsmartbuy.com/sp

REFERENCE “BOARD OF REGENTS/TXST UNIV SYS – 758” AND THE RFQ NUMBER PROVIDED IN THIS RFQ

1.5 **SUBMISSION OF QUALIFICATIONS:**

1.5.1 The Qualifications must be received at the address specified in Section 1.5.2 prior to the date and time deadline. Please note that overnight deliveries such as FedEx and UPS arrive at a central campus location but are not usually delivered to the specified location until after the time deadline. Respondents are advised to use other methods of delivery or, if using an overnight delivery service, to send the Qualifications a day earlier than usual. The Owner will not consider any response to this solicitation that is not received at the address specified by the deadline, regardless of whether it has been received by the College.

1.5.2 **DEADLINE AND LOCATION:** The Owner will receive Qualifications for RFQ No. 758-23-09102 at the time and location described below.

1.7 **EVALUATION OF QUALIFICATIONS**: The evaluation of the Qualifications shall be based on the requirements described in this RFQ. All properly submitted Qualifications will be reviewed, evaluated, and ranked by a Selection Committee appointed by the President of Texas State University, or their designee. Typically, the committee will include both present and future users of the campus facilities envisioned by the Project and by facilities professionals, including representation from the Owner. The top three (3) or fewer ranked Respondents may be selected by the Owner for further consideration by participating in an interview wherein Qualifications will be presented and examined in further detail and where questions will be posed by the Selection Committee and answered by the Respondent.
1.7.1 Qualifications submittals should not include any information regarding Respondent’s proposed fees, pricing, or other compensation considerations as these will not be a factor in the selection of the most qualified Respondent.

1.8 OWNER’S RESERVATION OF RIGHTS: The Owner may evaluate the Qualifications based on the anticipated completion of all or any portion of the Project. The Owner reserves the right to divide the Project into multiple parts, to reject any and all Qualifications and re-solicit for new Qualifications, or to reject any and all submissions and temporarily or permanently abandon the Project. Owner makes no representations, written or oral, that it will enter into any form of agreement with any Respondent to this RFQ for any Project and no such representation is intended or should be construed by the issuance of this RFQ.

1.9 ACCEPTANCE OF EVALUATION METHODOLOGY: By submitting its Qualifications in response to this RFQ, Respondent accepts the evaluation process and acknowledges and accepts that determination of the “most qualified” Respondent(s) will require subjective judgments by the Owner. Determinations by the Selection Committee will be subject to routine administrative review by the Owner’s executive officers but, once a selection is announced, it will not be subject to further review.

1.10 NO REIMBURSEMENT FOR COSTS: Respondent acknowledges and accepts that any costs incurred from the Respondent’s participation in this RFQ shall be at the sole risk and responsibility of the Respondent.

1.13 HISTORICALLY UNDERUTILIZED BUSINESSES’ SUBMITTAL REQUIREMENTS: It is the policy of the Owner and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (“HUB” or “HUBs”) in all contracts. Accordingly, specific plans and representations by Respondents that appear to facilitate the State’s commitment to supporting HUB enterprises are required in the selection process. Failure to submit specific plans and representations regarding HUB utilization, or failure to address the subject at all, will be interpreted by the Selection Committee as an intention not to support the program and will disqualify the Respondent. A HUB Subcontracting Plan (HSP) is required as a part of the Respondent’s Qualifications.

This section does not create a cause of action to contest a proposal or award of a state contract.

1.15 **SALES AND USE TAXES:** Section 151.311, Texas Tax Code, permits the purchase free of state sales and use taxes of tangible personal property to be incorporated into realty in the performance of a contract for an improvement to realty for certain exempt entities that include the Owner. The section further permits the purchase tax-free of tangible personal property (other than machinery or equipment and its accessories and repair and replacement parts) for use in the performance of such a contract if the property is “necessary and essential for the performance of the contract” and “completely consumed at the job site.” In addition, the section permits the purchase tax-free of a tangible service for use in the performance of such a contract if the service is performed at the job site and if “the contract expressly requires the specific service to be provided or purchased by the person performing the contract” or “the service is integral to the performance of the contract.”

1.16 **CERTIFICATION OF FRANCHISE TAX STATUS:** Respondents are advised that the successful respondent will be required to submit certification of franchise tax status as required by State Law (Texas Tax Code Chapter 171). The Respondent agrees that each subcontractor and supplier under contract will also provide a certification of franchise tax status.
