## STANDARD CORE WATER QUALITY COMMUNITY SCIENTIST TRAINING

*Training Date*

*Training Address*

*Training Time*

Join the statewide program to become a certified **Texas Stream Team community scientist** at this free training! Community scientists monitor water and environmental quality at their favorite river, creek, or stream.

This training is also a **wonderful opportunity for teachers** wanting to get TEEAC and CPE credit hours!

Please dress accordingly for the outdoors.

To RSVP, please email
