national scope real estate company, Interim chief staff of the Salvation Army in central Texas, and an owner of Mangia, a well-known restaurant located in Austin, Tx.

Mr. Turpin has an extensive experience in negotiating over \$16 billion in a wide variety of financial transactions ranging from small real estate ventures to major projects and international trade, as well as overseeing the credit policy and operations in managing a \$500 million receivables portfolio. He has also negotiated a \$2.2 billion multiparty financing arrangement that deferred hundreds of millions of dollars as part of the sale of 2.5 million of forestlands. Mr. Turpin has also been a longtime advisor and board member/chair of several local not-for-profits.
