Criminal Justice Information System

5

A Brief History

6

Some Vocabulary:

What do all of these acronyms mean?!

Incident Tracking Number. This is a number linked to an arrest. It is used with a **TRS** (*incident tracking number suffix*) to link a criminal offense from arrest through disposition. It is assigned upon arrest on a **CR- 43 form** (*can be on paper or electronic*).

State Identification Number. This is a unique identifier that helps link all of a defendant's Texas arrests and criminal charges. This number is linked to a person's fingerprints.

Computerized Criminal History System. It is the statewide repository of criminal history record information (**CHRI**) reported to DPS by local criminal justice agencies (*including justice courts*) in Texas. It is one of two components of **CJIS**.

7

Let's take a look at the DPS Website where you can find more information!

https://www.dps.texas.gov/administration/crime_records/pages/cjisJJISReporting.htm

8

Why is this Important for Justice Courts?

9

2019 Legislative Changes

- Last year, **Justice Courts** were added to the list of courts **required** to submit disposition data regarding Class C Family Violence Cases, on or after **September 1, 2019**.
- *Do you remember hearing something about fingerprint cards and disposition reporting at a legislative update or new judge's school? Or requirements specific to family violence cases?*

10

New Reporting Requirement for Family Violence Fine-Only Misdemeanors

Upon disposition of the case, the court must now report to DPS under CCP 66.252.

This statute already existed, but it didn't apply to any fine-only misdemeanors before.

Law enforcement prepares uniform incident fingerprint card and initiates reporting process when offender is charged.

Clerk then reports applicable info regarding person's citation/arrest and the disposition of the case to DPS within 30 days of disposition.

Shall report using a uniform incident fingerprint card (CCP 66.251) or an electronic method approved by DPS.

Only applies if offense was committed on or after 9/1/19, regardless of conviction date.

11

If a Defendant is Charged with an Offense Involving Family Violence as Defined by FC 71.004

- Judge must now take their plea in open court. – CCP 45.0211
 - Defendant may not instead mail in or deliver plea under CCP 27.14(b).
- The required court admonishment regarding firearms under CCP 27.14(e)(1) that a court must provide before accepting a guilty plea or nolo plea can no longer be provided via a statement printed on a citation.
- **Only applies if offense was committed on or after 9/1/19, regardless of when the defendant enters their plea.**

12

When would you see a family violence fine-only misdemeanor in justice court?

- Ex: Class C assault involving family violence as defined by FC 71.004.
- This could be something like a husband threatening to punch his wife and punching the wall next to her to scare her.

How do you know if an offense involves family violence?

- Look at the citation or complaint.

13

*Not only is reporting **required** under CCP Ch. 66, BUT accurate reporting is important for several other reasons:*

1. Criminal Justice Purposes
2. Grant Funding
3. Statistics

14

Criminal Justice Uses

The information that counties report to DPS is used by:

Law Enforcement

Prosecutors

Judges

Community
Corrections and
Supervision
Departments
(CSCD or probation)

15

Completeness Reports & Grant Funding

- Counties must have an average of 90% or above on both adult and juvenile disposition completeness and maintain timely reporting of all information as required by state law in order for any unit of government or non-profit within the county to be eligible for Criminal Justice Division (CJD) funding.
- The completeness percentage is calculated by comparing the arrest reports filed by a given county to the dispositions entered into CJIS by that county.
