

Texas State University Endowed Scholarship in Radiation Therapy

This scholarship was established in August 2012 through a gift from Thomas L. and Helen E. Cox to award scholarships to students attending Texas State University as undergraduates who have been accepted into the Radiation Therapy Program and who meet the following criteria:

- (1) Must be in "good standing" as defined by the Radiation Therapy student handbook.
- (2) Must be currently enrolled according to the respective degree plan.
- (3) Must have a minimum overall GPA of 3.4 and must maintain a 3.4 GPA in order to reapply for the scholarship.
- (4) Applicants must have successfully completed their first (Junior) year of the professional program and be eligible to enter their Senior year.

Preference will be given to qualified candidates in the following order of importance:

- (1) Native born Texan;
- (2) A Texas resident;
- (3) Child of U.S. military or former U.S. military parent, veteran, or a student enrolled in ROTC;
- (4) Students with financial need;
- (5) All other candidates.
