MSEC SEMINAR AND COMMERCIALIZATION FORUM

INVITED SPEAKER:

DR. HAMED LAYSSI

**CO-FOUNDER & STRUCTURAL ENGINEER
FPRIMEC SOLUTIONS, INC.**

“Bridging the Gap Between Engineering
and Entrepreneurship”

February 26th, 2021

1:30 – 2:30 PM

Biography:

Dr. Hamed Layssi is a co-founder and structural engineer at FPrimeC Solutions Inc., a technology company specialized in advanced non-destructive testing and evaluation of concrete materials and structures. Over the past 15 years, he has been heavily involved with the concrete industry as a professional engineer and researcher. He has an extensive academic background in structural evaluation, inspection, and repair of concrete structures. He holds a PhD from McGill University, Canada, is ranked among 150 top researchers in Canada in 2018, and received the 2018 entrepreneurship award from the PEO, Ottawa Chapter.
