COMMENCEMENT AT TEXAS STATE

Welcome to Texas State University's Spring Commencement! In order to ensure your enjoyment and safety while visiting with us, please review the following information.

Live Streaming

For your convenience, the ceremonies will be streamed live on the commencement website at www.txstate.edu/commencement. Recordings will be available for viewing at a later time.

Processional and Graduate Recognition

Candidates will seat themselves on the arena floor prior to the ceremony in order by degree level. During Graduate Recognition, candidates will cross in front of the stage from right to left.

Commencement and Graduation

Commencement is a ceremony in which preliminary degree candidates are recognized for their academic achievements. The commencement program reflects the name and degree of each graduate as well as the honors designation based on data available at the time of publication. Therefore, this program should not be considered an official list of graduates.

Guidelines for Candidates and Guests

Commencement is a significant and solemn event that celebrates years of academic achievement. In order to ensure that the ceremony is meaningful for all in attendance, please avoid all unnecessary conversation and movement. Also, please refrain from using airhorns or other noisemakers during the calling of student names.

Recessional

At the end of the ceremony, all candidates will recess to Sewell Park. Guests should remain seated until all candidates have recessed. Then, guests are welcome to meet their candidates in the park near entrances 2 and 3. In the case of inclement weather, candidates will not process outside, but will leave their seats after the Platform Party has recessed.

Pride and Traditions

Commencement is an important rite of passage with many time-honored traditions. From the ceremonial mace to the gown worn by graduates, every detail of a commencement ceremony is steeped in pride and tradition. To read more about commencement traditions at Texas State, please visit the commencement website at www.txstate.edu/commencement/candidate-information/program/Pride-and-Traditions.html.

To view this program online or order additional copies, please visit www.txstate.edu/commencement/candidate-information/program.html.

Congratulations, graduates!

TEXAS STATE NEXT IS NOW

The Texas Higher Education Coordinating Board has authorized Texas State University to offer a new Bachelor of Science degree program with a major in Mechanical Engineering. The new undergraduate degree program will begin being offered in fall 2022 by the Ingram School of Engineering.

Texas State's mechanical engineering program will be the first of its kind that is built bottom up in the state, and potentially the nation, with a strong focus on Industry 4.0 tools and technologies. The principal objective of the Industry 4.0 framework is to drive digital manufacturing by promoting interconnection between products, production chains, and business models. Students will be exposed to Industry 4.0 from first-year introductory courses through senior-level electives. Graduates of this state-of-the-art program will have a strong foundation in traditional mechanical engineering principles combined with a unique education in designing and developing mechanical systems that are smart, interconnected, secure, and integrated with the virtual world and emerging digital infrastructure.

Mechanical engineering is one of the largest and most versatile engineering disciplines that offers graduates opportunities to work in fields that require a background in basic engineering, energy conversion, energy resources, engineering and technology management, environment and transportation, manufacturing, materials and structures, and systems and design. Graduates of Texas State's mechanical engineering program will have educational experiences in solving complex engineering problems with wide-ranging technical issues involving multiple disciplines and diverse groups of stakeholders.

The United States Bureau of Labor Statistics predicts that during the decade spanning 2018-2028, employment in mechanical engineering will grow nationally by more than 22,000 positions, an increase of more than 4 percent. The Texas Workforce Commission predicts that during the decade spanning 2016-2026, in-state demand for mechanical engineers will grow by more than 3,000 positions, an increase of more than 18 percent.

The location of Texas State in the heart of the Central Texas region and Texas Innovation Corridor is particularly well-suited for providing this cutting-edge program to complement its current outstanding programs in civil engineering, computer science, electrical engineering, industrial engineering, and manufacturing engineering. Graduates of the new program will acquire highly desired marketable skills, core mechanical engineering and Industry 4.0 competencies, and will become the NEXT generation of engineering leaders in the state of Texas and beyond. This new degree program is the latest demonstration of Texas State's continued commitment to meeting workforce needs in the state of Texas.

MESSAGE FROM THE ALUMNI ASSOCIATION PRESIDENT

Congratulations, Bobcats! It is my pleasure as the President of your Texas State University Alumni Association to congratulate you on your graduation and to welcome you to our ever-growing alumni family – you are now one of more than 217,000 Bobcat alumni worldwide! On this special day, remember that graduation is not the end of your journey at Texas State, but rather the beginning of your lifelong connection to the university. The Alumni Association's mission is to keep you connected with Texas State and provide opportunities for you to continue creating relationships with fellow Bobcats. I encourage you to take advantage of our programs and events. To get started, here are some easy ways to get involved:

KEEP IN TOUCH. Bobcat alumni go on to impact communities across Texas and around the world. Make sure to visit alumni.txstate.edu and update your contact information so you always have access to the latest Alumni Association news.

ENGAGE ONLINE. Connect with us on Instagram, Twitter, LinkedIn, or Facebook for the latest information on alumni news and events, and a look into what is happening at Texas State. Want to start a conversation? Our groups on Facebook and LinkedIn also allow you to easily network and connect with thousands of Bobcat alumni.

TAKE ADVANTAGE OF CAREER SERVICES. As an alum, you have access to lifetime Career Services, including career counseling, resume and cover letter review, interview preparation, and career fairs.

STAY CONNECTED. Keep in touch with the Bobcats you know and meet the ones you don't by participating in one of our regional and affinity-based Alumni Networks or attending alumni or athletic events.

SHOW YOUR SUPPORT. Texas State wouldn't be the university it is today without the alumni who represent us and advocate for our mission long after graduation. Whether you choose to volunteer your time (we can connect you with opportunities across both of our campuses!), recruit prospective Bobcats, or give to the university during our annual Step Up for State event, there are always ways for you to support the Texas State community.

KEEP THAT MAROON AND GOLD ON HIGH. Your Texas State pride is endless. When you become a Forever Bobcat, not only are you demonstrating your Bobcat spirit, but you also gain access to exclusive opportunities and invest in our university's legacy. As a Forever Bobcat, you will help students succeed, and make it possible for Texas State to work toward a stronger, more sustainable future. To celebrate your achievement, a reduced rate is available exclusively for new graduates.

You have worked hard to earn your degree, and your alma mater is proud of you. Remember, "Once a Bobcat, Always a Bobcat," means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be active within your Alumni Association, demonstrate your Bobcat pride, and get to know more about us at alumni.txstate.edu. I wish you all the best in your endeavors, and I hope to meet many of you at alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State.

Once a Bobcat, Always a Bobcat!

A handwritten signature in cursive script that reads "DmCullough".
