

Registering for Classes with Bobcat Schedule Builder

The Bobcat Schedule Builder helps you prepare for advising and registration by planning out optimized variations of your classes that take into account your personal needs (work, athletics, leisure, etc.). The scheduler automatically saves your work so you can come back and rework a schedule at a later time or get a head start on the planning your next semester. Once you are satisfied with your schedule, you can register for your classes directly through Texas State Self-Service using the Bobcat Schedule Builder Registration Cart *provided you have an active time ticket.*

Accessing Bobcat Schedule Builder:

Log in to [Texas State Self-Service](#) using your NetID and password.

From the *Student* tab, click *Registration*

Example: Changing Parts of Term

Select 'Change Parts of Term' from the *Parts of Term* dropdown menu.

The screenshot shows the Bobcat Schedule Builder interface. At the top right, there are links for "Help Videos" and "Log Out". The Bobcat logo and "BOBCAT SCHEDULE BUILDER" text are prominently displayed. Below this, there are several dropdown menus: "Course Status" (set to "Open & Full"), "Term" (set to "Spring 2014"), "Parts of Term" (set to "All Parts of Term Selected" with a red circle around it and a red arrow pointing to a "Change Parts of Term Options" link below it), and "Campus" (set to "All Campuses Selected"). A dark red banner with white text reads: "Just place checkmarks by the courses and breaks you want and click the 'Generate Schedules' button!". Below this banner are two sections: "Courses" with an "Add Course" button and instructions to click the button to add courses, and "Breaks" with an "Add Break" button and instructions to click the button to add times during the day that you do not wish to take classes. At the bottom, there is a "Schedules" section with a "Generate Schedules" button.

Another window will open where you can check which parts of term you would like to search for. Choose **Save and Close** to return to the main Bobcat Schedule Builder page.

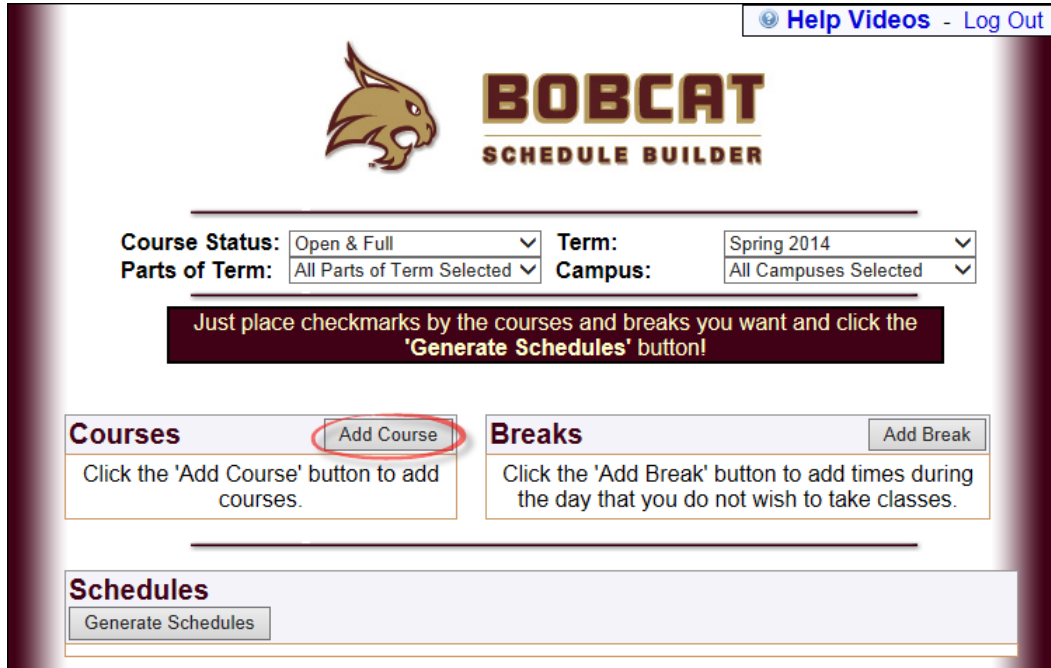

The screenshot shows a dialog box titled "Select Parts of Term". At the top, it says "*Please select the Parts of Term you wish to include." Below this are two buttons: "Save And Close" (circled in red) and "Cancel". The main part of the dialog is a table with a header "Parts of Term" and a checkbox column. The first row is checked and circled in red. The table lists the following options:

Registering for Classes with Bobcat Schedule Builder

You will be automatically redirected to the Add or Drop Classes page (can be found again by clicking the 'Registration/Schedule Changes' link on the **Student** tab in Texas State Self-Service). This page will show you all of the classes you were registered for along with any errors that might have prevented registration such as missing pre-requisites. You can add additional classes on the bottom if you know the CRN or you can drop classes by selecting an action from the drop-down menus. When you are done click the 'I'm Finished' button.

Add or Drop Classes

■ To search for a class, click the 'Class Search' button at the bottom.
 To drop a class, use the options available in the Action pull-down list.
▲ **WARNING: Registering or adding a class on or after the first class day of the semester may result in a lower grade in the class. Click [HERE](#) for more information.**
 Spring 2014 bills will be ready the first week of December. Payment for Spring classes is due by January 9th, 6:00pm. For more information visit Student Business Services website at <http://www.sbs.txstate.edu/>.

▲ Please note: Your request will not be processed if it would cause credit hours to drop below the minimum allowed for a given term.
