Emergency Protective Orders

Code of Criminal Procedure Ch 17

3

What is an EPO?

- An order separate from bond conditions that a magistrate can issue at a defendant's appearance after arrest on a case involving **family violence** or for the offenses of:
 - human trafficking,
 - continuous human trafficking,
 - sexual assault,
 - indecent assault,
 - aggravated sexual assault, or
 - stalking.

4

Important!

- JPs can ONLY issue EPOs when a defendant is arrested for an **eligible offense**.
- JPs CANNOT issue other types of protective orders.
- *Where can you send people who request protective orders that you cannot issue??*

5

Why are EPOs
Important??

6

Reasons Why EPOs Help

- Prevent future violence
- Identify appropriate & inappropriate behavior
- Reinforce that family violence is wrong
- Give a victim time to get help

7

Mandatory vs. Discretionary

Mandatory

- Family violence offense that involves:
 - Serious bodily injury
 - Use/exhibition of a deadly weapon

Discretionary

- Any offense involving family violence if:
 - Magistrate believes it is appropriate
 - Or it is requested by the victim (or their guardian), a peace officer, or a prosecutor

8

How Long Does an EPO Last?

Standard:

- 31 to 61 days

Mandatory EPOS where
Defendant used or exhibited
a **deadly weapon:**

- 61 to 91 days

10

Conditions of EPOs – Practice Tip!

You **CANNOT** order the defendant to stay a minimum distance from the victim in an EPO.

You **CAN** do this as a bond condition – *we will get to that soon!*

11

Required Warning

- All EPOs must have a statutory warning.
- Grab your EPO Form!

12

Issuance & Service of EPO

- The victim doesn't have to be present when a magistrate issues an EPO
- The EPO is effective upon issuance
- The defendant must be served in person or electronically by the Magistrate or their designee (*usually someone at the jail*)
- Magistrate must make a record showing how it was served

13

Reporting/Notification Requirements

14

Protective Order Registry

- EPOs must be entered into the protective order registry maintained by OCA
- As soon as possible or no later than 24 hours after issuance
- If an EPO is modified, vacated, or expired must also be entered

<https://www.txcourts.gov/judicial-data/protective-order-registry/>

15

Modifying an EPO

Must hold a hearing

Must make findings that:

- EPO is now **unworkable**
- Modifying the EPO will not endanger the victim or any person protected under the order

16

Transfer of EPO

Can transfer to trial court if:

motion + notice + hearing

OR

parties agree

17

Bond Conditions

18

Review: What are Bond Conditions?

and conditions are specific obligations included as terms of the bond the defendant signs and that the defendant must meet as a condition of their release from custody

19

Authority & Examples of Bond Conditions

A magistrate may impose any reasonable condition of bond related to the safety of a victim or the community

44 USC § 3503

*example

2 additional offenses

2 contact with the victim

(restricting

20

What is the purpose of bond conditions??

21

Issuing Order & Notifying the Defendant

- A **written order** laying out the bond conditions must be issued and served on the defendant. The PSRS does not generate this order.
- The Damon Allen Act also required OCA to develop a form **notifying the defendant of the consequences of violating bond conditions**. This form is available on the TJCTC forms page, as well as in the PSRS.

22

22

Mandatory Bond Conditions

Usually, bond conditions are discretionary

In certain types of cases, you must impose specific conditions.

Examples:

- Must order interlock in certain intoxication offenses
- Must order defendant not to contact child victim in certain offenses
