

Incompletes for Students Called to Military Active Duty

AA/PPS 02.02.20

09.03 When a student chooses to complete a class at a later date, an "I" grade may be assigned.

The student will be allowed to complete assignments or take examinations from which they were excused within a reasonable time after the absence, up to one year following completion of active duty assignment.

A student who fails to satisfactorily complete assignments or examinations within the required timeframe, one year following the completion of active duty assignment, will receive a final letter grade of "F."

***Students should not re-register for courses in which they have received grades of Incomplete.**
