MOBILE APPS

Download the official Texas State University app and get access to news and events, course scheduling, billing and registration holds through the new "My TXST" module.

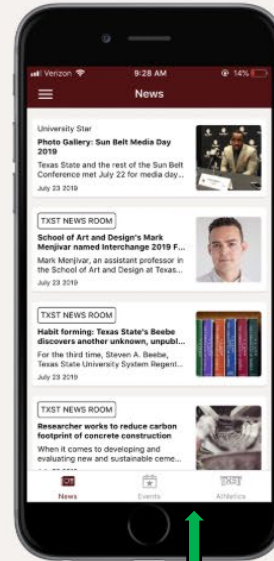

The new interface is easier to navigate, and you choose which modules to display.

Visit My TXST for a compact view of your current and past course schedules, billing details, as well as registration holds.

If you're at Main Campus, quickly access shuttle and building information and select favorite routes/stops, which the app remembers for you.

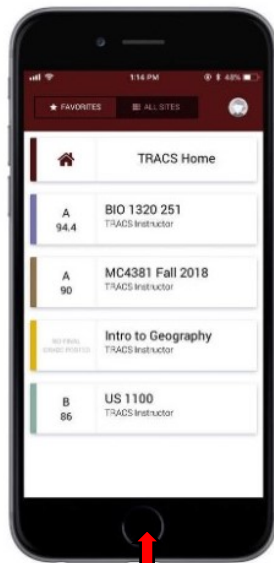

Stay caught up on university news and events. View official Newsroom stories, University Star articles and Athletics updates.

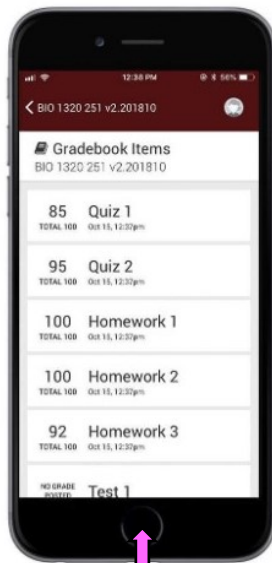

MOBILE APPS

>TRACS Mobile

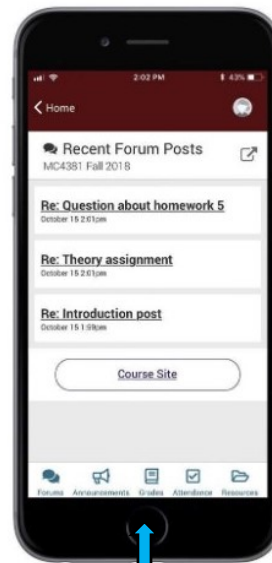

Allows you to connect to your courses anywhere. Interact with your TRACS sites, receive course announcements and forum notifications, stay logged in longer, and access your course documents, right from your mobile device.

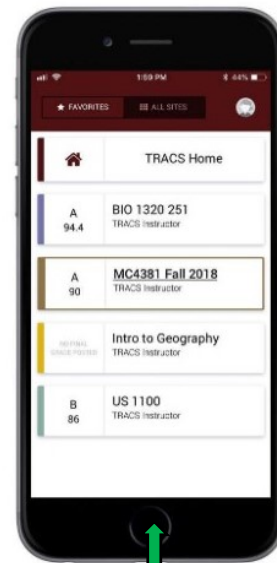

Course Filters
Organize your TRACS sites with the Favorites filter.

Grades
View your released Gradebook items for each course.

Tool Access
Enjoy easy access to popular TRACS tools.

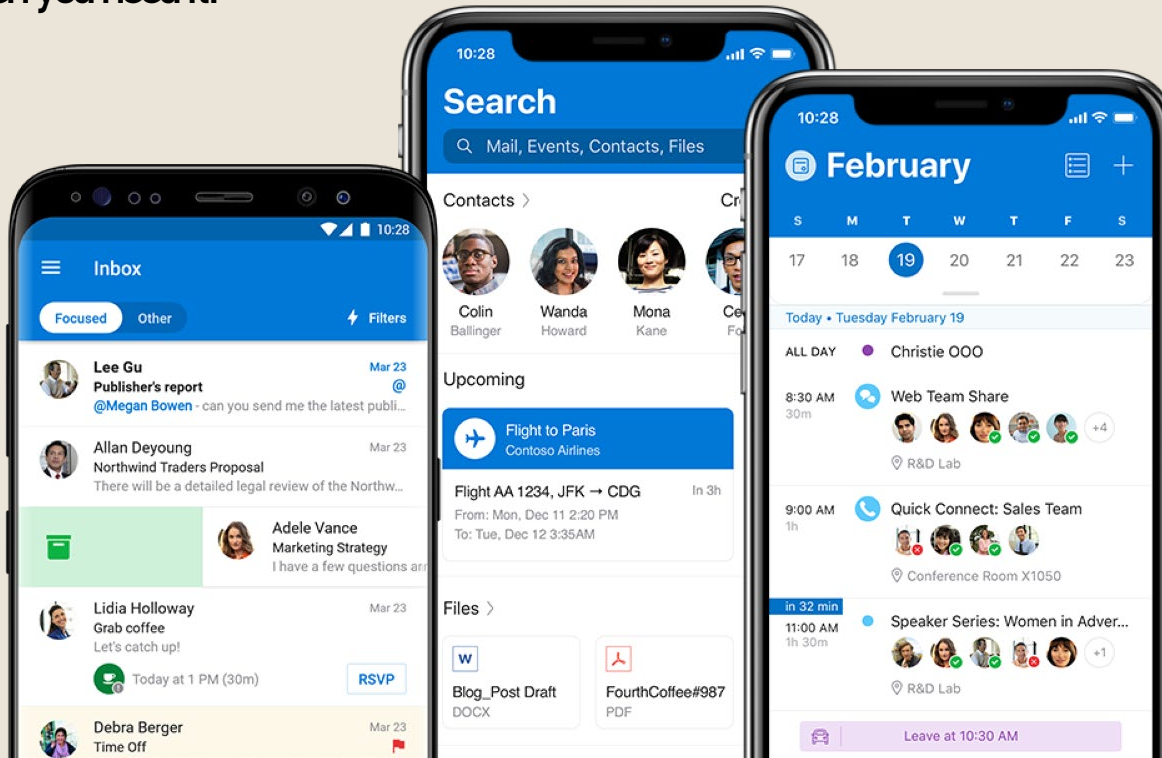

Notifications
Be notified about forum posts and announcements per course.

MOBILE APPS

> Outlook

Outlook is the most common app used to read Texas State Email, known as BobcatMail. It integrates with many other Office 365 apps and is available on most mobile devices, where you need it, when you need it.
