The coursework listed on this Certification Plan does not result in a Master's degree. Students pursuing a degree must also consult an academic advisor and the Degree Audit to complete degree requirements.

NOTE: Should a non-degree seeking student change to a graduate degree program, up to six hours of graduate-level courses, with a grade of B or better, may be petitioned for degree credit after regular degree-seeking admission has been granted.

Notes (Special Approvals, etc.)

The Certification Plan is a Texas Education Agency (TEA) required document that specifies the coursework, student teaching or internship, and tests that teacher candidates must complete to be eligible for teacher certification in the state of Texas. (tea.texas.gov "Becoming a Certified Texas Educator through a University Program")

Field Experience (Application Required)

<input type="text"/>	<input type="checkbox"/> Field Block: Consult advisor or C&I Dept for availability
	<input type="checkbox"/> Stand-Alone Field Observation: CI 5326

Prerequisites: 2.75 overall GPA; ALL other certification coursework complete; accepted Field Block or Field Experience application for appropriate semester.

Notes

Student Teaching (Application Required)

<input type="text"/>	EDST 4687
----------------------	-----------

Prerequisites: 2.75 overall GPA; ALL certification coursework complete; accepted Student Teaching application for each semester of Student Teaching or Internship.

Notes

Certification Exams (Application Required)

<input type="text"/>	Prerequisites: Admittance to the Educator Preparation Program; accepted Test Approval application.
----------------------	--

OEP advises candidates to apply for test approval when they apply for field blocks (or field experience). Candidates are strongly encouraged to pass the exams before or during Student Teaching.

Notes

Certification (Application Required)

<input type="checkbox"/>	Bachelor's Degree
<input type="checkbox"/>	Student Teaching
<input type="checkbox"/>	Certification Exams

Prerequisites: posted bachelor's degree, credit for student teaching, passing scores on ALL required certification exams.

Candidates must submit an application for standard, university-based teacher certification through TEA when prerequisites are met.
