Parks, Playas, and Powwows: Designing a Field Guide to the Contemporary American West by Dr. William K. Wyckoff

For more than 25 years, Dr. Wyckoff has studied the historical and cultural geography of the American West and the evolution of the region's landscapes. He is the author of five books, including his most recent volume titled *How to Read the American West: A Field Guide* (2014). For this talk, Dr. Wyckoff will share his experience of putting together the Field Guide and highlight the importance of public lands in the West, with special attention to the 100-year anniversary of the National Park Service

*Colloquium will be followed by an Expert Panel Discussion on
"The 100th Anniversary of the National Park Service."*

Panel members include Drs. David Butler, Kimberly Meitzen, James Petersen, and William Wyckoff.
