Introduction

Why Study at Texas State University?

Texas State University is an International-student friendly institution. Education USA, which is a program of the U.S. Department of State Bureau of Educational and Cultural Affairs, has defined international-friendly institutions as institutions that “recognize that in an increasingly interdependent world there is educational value in having international students on the campus”.

Texas State recognizes the value international students bring to our institution and it is committed to providing international students with an enriching education experience. The professional staff at International Student and Scholar Services maintains membership in appropriate international educational organizations and associations to be actively engaged in the many regulatory, educational, and cultural issues related to international students. Texas State also provides special programs for international students to assist them in achieving a successful transition into our university. Some of these programs include an international student orientation, a welcome social for new international students, and monthly internationally minded and cultural events.

Overall Texas State University is a friendly campus that has a lot to offer international students: prestigious programs, beautiful parks and campus, artistic, cultural, political, and athletic events, and a convenient location in close proximity to two of the most eclectic cities in Texas, Austin and San Antonio.

Introduction

Who is an International Student?

Nonimmigrant international students on temporary visas enrolled in a U.S. academic program of study. Common nonimmigrant statuses are A-1, A-2, B-1, B-2, E-1, E-2, F-1, F-2, H-1, H-4, J-1, J-2, L-1, L-2, M-1, R-1 R-2, TN, and TD. F-1 is the most common status used by international students. A student who has applied for or received permanent residency, refugee status, or asylum in the U.S. is not considered to be an international student at Texas State University.

Your Second Home - Texas State University

Texas State's original mission was to prepare Texas public school teachers, especially those of the south-central area. It became renowned for carrying out this mission, but today it does far more. The University College also oversees the undergraduate general education core curriculum and undergraduate advising as well as the freshman year experience. The Graduate College provides opportunities for continued intellectual growth through advanced and specialized education that develops leaders in the professions and in research.

Texas State students come from around the globe, and our student body is diverse. Fifty-four percent of Texas State students are ethnic minorities. See the [Facts and Data page](#) for more information on our student body.

The Texas State University Round Rock Campus is located north of Austin. Students there can take upper-level courses leading to bachelor's degrees and complete master's degrees and certificate programs. Students who complete their degree requirements at the Round Rock Campus earn their degrees from Texas State University.

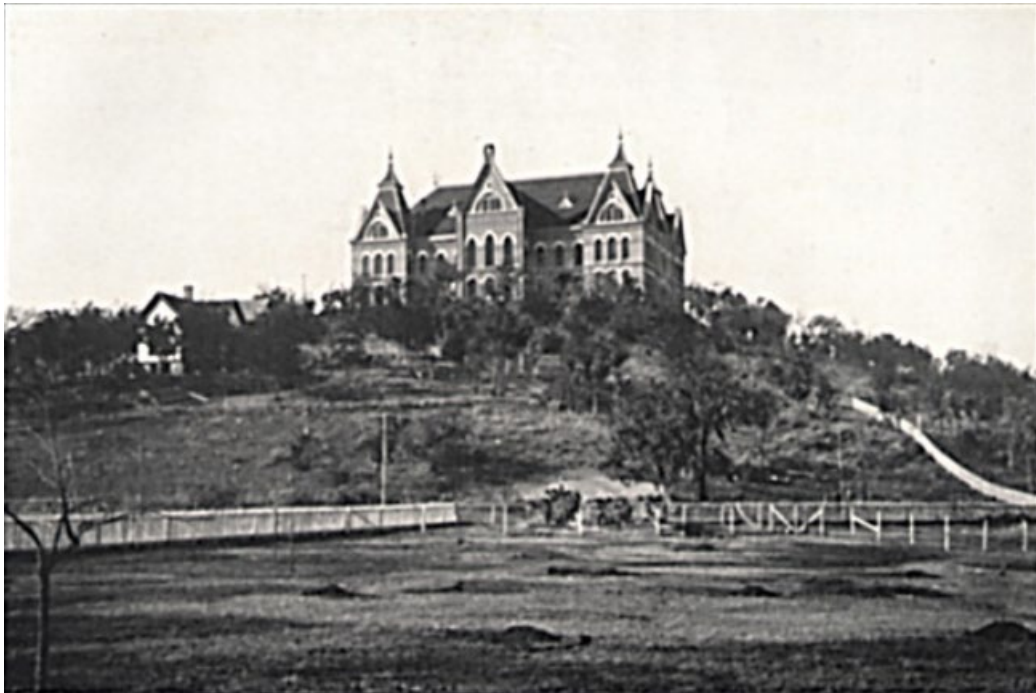

Location

Texas State's San Marcos campus is located in a growing community of over 63,500 people. Located in the Texas Hill Country, where blackland prairies roll into beautiful hills, Texas State enjoys a setting that is unique among Texas universities.

The beauty of the crystal-clear [San Marcos River](#) and the stately cypress, oak, and pecan trees on the campus add to the charm of the university's picturesque setting. Our location on the banks of the San Marcos River provides recreational activities for students throughout the year.

Introduction

Authorized by the Texas Legislature in 1899, Southwest Texas State Normal School opened its doors in 1903. Over the years, the Legislature broadened the institution's scope and changed its name, in succession, to Normal College, Teachers College, College, and in 1969, University. Each name change reflects the university's growth from a small teacher preparation institution to a major multipurpose university. In 2003, the Legislature renamed the school Texas State University-San Marcos. In 2013 the designation of "San Marcos" was dropped, and the school is now simply called: Texas State University.

Authorized by the Texas Legislature in 1899, Southwest Texas State Normal School opened its doors in 1903. Over the years, the Legislature broadened the institution's scope and changed its name, in succession, to Southwest Texas State Normal College, Southwest Texas State Teachers College, Southwest Texas State College, Southwest Texas State University, and in 2003 to Texas State University. Each name reflects the university's growth from a small teacher preparation institution to a major, multipurpose university. Texas State's original mission was to prepare Texas public school teachers. It became renowned for carrying out this mission, but today it does far more.

Colleges

The University offers courses in [Applied Arts](#), [McCoy College of Business Administration](#), [Education](#), [Fine Arts and Communication](#), [Health Professions](#), [Liberal Arts](#), [Science and Engineering](#), [University College](#) and The [Graduate College](#). As an Emerging Research University, Texas State offers opportunities for discovery and innovation to faculty and students. In 1986 the University College was created to assure a broad general education for all students, regardless of major. In 1935 the Board of Regents authorized the formation of The Graduate College.

Introduction

University Highlights

[University Livestream](#) to enjoy a live view of several locations on our beautiful San Marcos campus in the Texas Hill Country. See [more photos of Texas State University](#).

As the university's student population has grown — from 303 in 1903 to 37,864 in fall 2021 (33,175 undergraduate; 444 post-baccalaureate; 3,662 master's; 583 doctoral). Today, the university has grown to over 500 acres at the San Marcos Campus and over 100 acres at the Round Rock Campus. Texas State has about 4,000 additional acres of academic, agricultural, research, and recreational areas.

The campus is as diverse as the students who live and learn here. In Fall 2021, 55% of Texas State students are minorities. Our hilly grounds are home to over 200 buildings. Some, like Old Main, are as old as the university itself. Others, such as Bruce and Gloria Ingram Hall on the San Marcos Campus and Willow Hall on the Round Rock Campus, opened in 2018.

About International Student and Scholar Services

Our Mission is to...

Support the comprehensive internationalization goals of Texas State University and assist the university in developing and maintaining an internationally diverse student body, faculty, and staff by:

- Serving as immigration and cultural advisors to international students and scholars; advocating on their behalf and providing services and information that facilitate their cultural adjustment, social integration, retention, and success.
- Assisting the university at large and international students, scholars, alumni, faculty, and staff in particular, in complying with various governmental policies and regulations.
- Contributing to the research and teaching mission of the university by assisting with employment authorization for distinguished international scholars, faculty, and staff.
- Promoting global awareness and internationalization at the university by administering international programming through hosting and sponsoring internationally minded events.

We provide services for...

- Pre-arrival information and support for international students and scholars
- F-1 student immigration advising
- Maintenance of student data in SEVIS (Student & Exchange Visitor Information System)
- SEVIS record transfer assistance
- Assistance with USCIS Form I-765 employment authorization applications
- Assistance with USCIS Form I-539 change of status and reinstatement applications
- Create individualized letters certifying enrollment to assist F-1 students to obtain Driver's Licenses, Social Security Numbers, visa renewals, etc.
- Host workshops on practical training and other special topics
- Promote the Texas Public Education Grant (TPEG) to international students, process applications and award qualifying students each semester
- Assist with cross-cultural adjustment
- Advocate for unique needs of international students

About International Student and Scholar Services

International Faculty and Staff

- Assist with change of non-immigrant status to H-1B status for Texas State professors
- Assist with Permanent Resident Applications for Texas State professors

Texas State Departments

- Advise academic departments about the type of non-immigrant status that is most appropriate for prospective professors and researchers.
- Assist with inviting J-1 research school and professors
- Assist with obtaining legal employment authorization for international faculty and staff

Other Services/Activities

- Encourage internationalization efforts through campus outreach
- Host International Student Resource Fair each semester to welcome new students by connecting them to campus, academic, and support resources
- Host International Student Welcome Social each semester to provide social engagement opportunities for new students
- Co-sponsor International Education Week each November
- Post statistical reports each fall for the Institute of International Education Research (IIE) and university use
- Assist with campus and community requests for data pertaining to international student enrollment
- Act as liaisons with the Department of Homeland Security (DHS) for Texas State University

Fall 2021 – New Student Summary

New Student Level	Applied	Admitted	Enrolled
Graduate	737	364	176
Undergraduate	131	100	41
Total	868	464	217

In Fall 2021, 868 international students applied to Texas State and 464 students (53%), were admitted. Out of 464 students admitted, 217 students (47%) were enrolled in courses on the day after census date (12th class day). The applied to enrolled rate is 25%.

In Fall 2021, Texas State University hosted **217 new international students** and 348 continuing international students for a total international student population of 566 international students from 72 countries. The percentage comparison to the total student population is as follows:

- **1.49%**, 566 out of 37,868 total students were international students.
- **8.37%**, 390 out of 4,662 total graduate students were international students.
- **0.53%**, 176 out of 33,175 total undergraduate students were international students.

Fall 2021 Enrollment Totals		
Undergraduates	Graduates	
176	390	Total: 566*
31%	69%	% of Total International Students

*Includes only students enrolled at Texas State on the day after census date.

Fall 2021 International Student OPT Totals				
OPT Type	Approved	Pending	Requested	Total
OPT	130	8	2	140
STEM OPT	74	1	4	79
Total	204	9	6	219
% of Total	93%	4.0%	3.0%	100%

OPT is 12 months of temporary, full-time work authorization granted by DHS. All F-1 students may qualify for OPT. Students who have completed OPT and have a qualifying STEM designated degree are eligible for 2 additional years of work through STEM-OPT. OPT students include those with STEM degrees.

In Fall 2021, 219 students were either seeking or participating in practical training.

Fall 2021 New International Student Totals: Visa Types						
F-1	B-1	F-2	H-1	H-4	J-1	L-2
205	1	4	2	2	2	1
94%	0.5%	2%	1%	1%	1%	0.5%

217 new international students joined Texas State in Fall 2021. These 217 new students represent 38% out of 566 total international students enrolled in Fall 2021. 205 out of 217 new students were on an F-1 visa which represented 94% of the total new international student population.

India, Bangladesh, and China continue to rank as the top three countries represented at Texas State. According to IIE's *Open Doors Report 2021*, the top three countries of origin are China, India, and South Korea. However, in Texas the top three are India, China, and Mexico as the leading places of origin. See more here for more information on the IIE Open Doors Report 2021: <https://opendoorsdata.org/>.

F-1 Student Graduation

Graduation Comparison by Level and Year (2018/19 – 2020/21)

Degree Level	2018-19	2019-20 (% Change)	2020-21 (% Change)
Certificate	1	1	3 (+200%)
Masters	100	91 (-9%)	130 (+43%)
Doctoral	10	13 (+30%)	13
Bachelors	37	39 (+5.4%)	38 (-2.6%)
Total	148	144 (-2.7%)	184 (+28%)

F-1 Student Persistence Comparison

Persistence is measured by the re-enrollment of new F-1 international students from fall to fall. F-1 students are determined to be new by the creation of a new SEVIS record or new Form I-20 (this will include change of major, change of status, and change of level students) based on the *SEVIS Initial Status report*. Enrollment is confirmed based on the *LOGI enrollment post-census report*.

F-1 Persistence Percentage	2019	2020	2021
% Eligible Student Persistence* (still enrolled in percentage year/ # of previous year students eligible to persist)	93%	93%	91%
% Overall Student Persistence (still enrolled in percentage year/ # of new students in previous year)	73%	84%	86%

*The number of students eligible to persist and re-enroll in the next fall term does not include TSIE, exchange, or students who completed/graduated prior to the start of subsequent fall term.

Texas State International Students Compared to State and National Statistics

In 2021, Texas ranked as the third state with the largest population of international students with 67,428 which is a decrease of 12.5% from 2020.

Texas State University (Fall 2021)	Texas (IIE 2020/21)	Nationally (IIE 2020/21)
566	67,428	914,095

The top five places of origin for international students per university, state, and nationwide:

Texas State University (Fall 2021)	Texas (IIE 2020/21)	Nationally (IIE 2020/21)
India	India	China
Bangladesh	China	India
China	Mexico	South Korea
Nepal	Vietnam	Canada
Nigeria	Nepal	Saudi Arabia

The estimated contribution from international students in the state of Texas is **\$1.5 billion**.

NAFSA's report on **Economic Value Statistics** analyzed the 2020-2021 academic year showing international students and their families contributed **\$28.4 billion** to the U.S. economy.
